"What Each Filipino Can Do to Help Build Dream Philippines"
by Dr. REY C. ONG, Ph.D
President of the Alliance of Global Leaders in ESG and Green Prosperity and
President of the Philippine Institute of Governance (PIG)

Second of two parts:

This article continues the enumeration of 28 strategies Japanese that will help Make Dream Philippines Great Again. The first 14 were published here on April 16.

"A Layman's Version of Climate Change Adaptation"
by MAP's JOEL ANG
Co-Vice Chair of the MAP Environment Committee;
Chairman of Ecowise Group;
PHILEPTA Trustee;
Member of ASEAN's Advisory Council; and
1st Vice President of the ASEAN Coffee Federation

I am so happy to have met an enlightened civil servant who shared his insights about climate change. I am also happy to have met a young man who is very knowledgeable about climate change. He is so interested in sharing his scientific explanations for climate adaptation.
